Booking in on matches

Away matches, anglers must book in for away matches due to the possible shortage of pegs. Please contact John Green or Colin Rumney by Wednesday before match to ensure you have a peg to fish!

Please book in on home matches, especially if we have a visit from another club. River conditions change frequently we may have to reduce peg numbers or at worst cancel the match!

Points Competition

Points Competition, only matches indicated on the above table count towards the points competition, 10 for a win, 9 for second and so on. Two lowest scores can be dropped, there is a total of 10 matches where points can be won, maximum points total is 80 points.

Optional Pool

There is an optional pool of £5 per match which dependant on numbers fishing pays out to First, Second and Third. At every Points competition match £5 of the pool money is taken from the pool and goes to the Golden Peg pool of money. If we are hosting a visiting Club then all of the pool money is used for prize money. On away matches the host Club runs the pool and their rules apply.

Golden Peg

Golden Peg, only Points Competition matches will run the Golden Peg. Must be at least 5 anglers for Golden Peg competition to be valid.
